sauvignon blanc

If you could bottle vivacity... well, Sauvignon Blanc would be the perfect choice, especially Kathleen's fresh and spirited interpretation. Sauvignon Blanc invented the concept of food friendly. Friendly? How about chummy and yummy?! It's hard to find any cuisine that is not ready to marry our beguiling Ms. Sauvignon Blanc.

K Sauvignon Blanc is faithful to the distinct characteristics of the varietal with playful hints of citrus, passion fruit, apricot and seductive minerality. K Sauvignon Blanc is a sweetheart!

Sauvignon Blanc farm-crafted 2012
94% tank fermented 6% neutral barrels
Keeping it simple and sublime
Alc. 13.6% by vol.
TA 0.60 g/100ml
